NARRATIVE: On 8/31/04 at approximately 1030 hours, Special Agent in Charge Mike Earnest contacted reporting agent in reference to a request for assistance. SAC Earnest informed S/A Douglas that the Polk County Drug Task Force was to serve a search warrant that involved the possession of a moonshine still. The task force has requested that the Department of Revenue assist with the search. S/A Douglas departed Rome R/O and reported to Rockmart, GA. where he met with Polk DTF Agents. Polk DTF Agents escorted S/A Douglas to the crime scene where they had already taken possession of the property through a search warrant issued for V.G.C.S.A. S/A Douglas located the still inside the garage of the home. The still was approximately 50 gallons in size and in full production with the mash cooking. S/A Douglas and DTF Agents dismantled and destroyed the still while emptying the contents of the still. S/A Douglas used a hydrometer to test distilled spirits (moonshine) at the location that had already been collected in mason jars. One sample was approximately 130 proof and the other was approximately 90 proof. The DTF took evidence photos of the scene and collected the liquor samples for the Georgia Crime Lab. S/A Douglas advised the agents of the sections of O.C.G.A. to review for charges and offered assistance with submitting samples to the ATF Lab if required. This is a preliminary report that will be followed up when additional information is provided by the DTF. - SD/024
